(Start Belt #3)

a fidelity bond of the State of Nebraska. So with your indulgence I would ask that we bracket this bill too and let's get this thing straightened out because I feel awful sorry for some of these county officials that have to furnish \$250.00 bond and have to pay a minimum of \$10.00 to get them. Because if it is their integrity that they wish to look into, why it is a little too late because they're elected already. Thank you.

SPEAKER: The chair did hear--

SENATOR SKARDA: I would ask for bracketing of this bond-- bill for a week.

SPEAKER: Thank you. We now have a motion before us to bracket LB 7 for a week. Are there objections to that? All those in favor of the motion, please say aye, those opposed say no. So ordered, bracketed for a week. Do we still need, Mr. Speaker, Senator Proud, do we still need a ten or fifteen minute recess now, do you think?

SENATOR PROUD: No, I don't believe so. It depends on how the Body votes but I talked with a number of Senators and they seem to be in favor of adjourning till 10:00 A.M., Monday morning. I personally think this is proper because we just don't have enough to do and we'll need this time critically towards the end of the session and this will not affect committee hearings at all. We can right ahead and hold any scheduled committee hearings. So my motion is that we adjourn till 10:00 A.M., Monday morning.

SPEAKER: We have some business on the desk.

CLERK: Mr. President, we have some new bills.

Read title. LB 163

Mr. President, we have one announcement and that is that we would like to again bring to the attention of the Senate the fact that there are bill drafters capabilities located in Room 2010 located here on the second floor in the northwest corner of the building and if it is more convenient for you to use them there, feel free to do so rather than making a trip downstairs and if we need more up here, why, I am informed they will be there. That is all I have, Mr. President. I have a motion to adjourn.

SPEAKER: Is there any further business to come before the body. If not I move we adjourn until--

CLERK: I have one announcement, Mr. President. Senator Marvel announces that if we adjourn at this time his Appropriations Committee will meet promptly, at this hour in Room 1003 on the first floor rather than 2:00 as previously announced.

SENATOR PROUD: Mr. President I move we adjourn till 10:00, Monday.

SPEAKER: Senator Duis, for what purpose do you rise?

SENATOR DUIS: I would like to change the announcement then on the Rules Committee meeting which was scheduled for thirty minutes prior to the convening of Thursday morning. We will make it Monday morning. Better than that, if it is agreeable with the Rules Committee, if you have any objections, let's meet within, let's meet at 11:00 o'clock in the Legislative Council Hearing Room. I'll circulate here and try to get to you.

SPEAKER: Any further business? Any other announcements.
